Welcome from the Team

Welcome to the 2026 Rock Aqua Jays Water Ski Show Season – Monsters, Inc.

We're thrilled to kick off another fun-filled, action-packed summer with you! When the door to Skitropolis is accidentally opened, skiers enter the Monster world, creating a lot of fun and a little bit of chaos. With the CEO of Skitropolis leading the way, it's up to Mike, Sulley, Boo, our mini monsters, and your applause-powered energy to find the right door to get the skiers back to the factory. We look forward to your applause, laughter, and smiling faces.

There's a lot happening at our ski site this season, including an exciting new chapter for our home. Thanks to the generous support of our new naming partner, we are proud to introduce **Bank First Stadium – Home of the Rock Aqua Jays**. We are incredibly grateful for this partnership and the shared commitment to delivering outstanding entertainment for our community.

In addition to our Sunday and Wednesday shows, we invite you to join us for several special events this summer:

- **The Mercury Open (June 20)**: A premier tune-up event showcasing top-tier water ski talent.
- **Division 2 State Individual Championships (June 21)**: Come cheer on rising stars as they compete in individual events.
- **Star Spangled Saturday Weekend (June 26–27)**: Bigger than ever this year, featuring a Friday night band, amusement rides, vendors, jet ski races (on both Saturday and Sunday), a ski show, and a spectacular Festival Foods fireworks display at dusk in celebration of America's 250th.

Our strong partnership with the City of Janesville—especially the Parks Department—continues to make all of this possible. Together, we've built and maintained a world-class facility that has hosted competitions at every level.

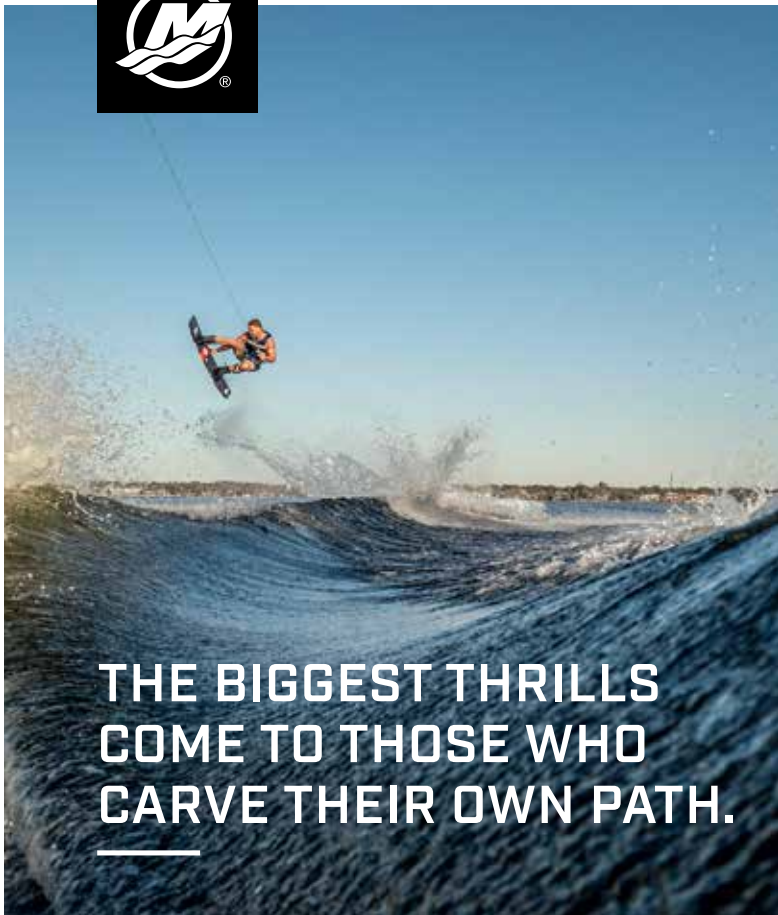

We're also proud to partner with Mercury Marine, whose power and precision help bring our performances to life—from towering pyramids to graceful ballet lines and high-speed barefoot runs.

Of course, none of this would be possible without the incredible support of our sponsors and community partners. Their commitment allows us to continue offering free, family-friendly entertainment all summer long.

And finally, to our fans—thank you. Your enthusiasm and support have helped make the Rock Aqua Jays the most successful water ski show team in the world. We are honored to perform for you and remain committed to delivering excellence every time we hit the water.

Enjoy the show, come back often, and be sure to share your experience with us—we love hearing from you!
