

Show Ski National Championship

SKY CARP BASEBALL

AFFORDABLE FAMILY FUN!

It's more than a baseball game - it's a great time loaded with action-packed fun and entertainment!

Welcome from the Team

SKI HAW! Welcome to the Rock Aqua Jays Water Ski Show 2025 Season!

We are thrilled to kick off another fun-filled and action-packed ski season! This year, we're taking you on a nostalgic journey with our ski show, **SKI HAW**. Get ready to relive the excitement of yesteryears and join the citizen of Hawville as they atempt to convince that big-time Nashville Executive, Mr. BIG, to stream Ski-Haw worldwide!

We are also proud to present the **50th National Water Ski Show Tournament** from August 8-10, 2025! RAJ Stadium will host the best skiers in the country as tehy compete individually and as teams, on the world-class ski site on the Rock River. Make sure to care some time to visit us that weekend- it's going to feature epic performances!

In addition to the tournament, we have two major events lined up:

The Mercury Open on June 21. This event returns as the premeir tune-up for the summer water ski show competitions.

Star Spangled Saturday on June 27-28. This event is expanding to include a Friday night band! Join us on Saturday for more amusement rides, vendors, a ski show, and the spectacular **Festival Foods Fireworks**.

We are incredibly thankful to call Traxler Park our home, where we've been putting on water ski shows since the early 1960s. Our wonderful relationship with the City of Janesville has helped us create this beautiful, world-water ski stadium that has hosted local, regional, national, and world competitions.

We are also forrtunate to have the best-in-class outboard motors from **Mercury Marine** to help us pull off our acts, from huge pyramids to beautiful ballet lines and fast barefoot acts. The power and precision provided by this Wisconsin company are second-to-none and allow us to stay at the top of our game.

We have many wonderful sponsors, both local and regional, who support our team. Without them, our goal of providing free, family-friendly events would be much more difficult to achieve.

Lastly, we want to thank our fans. Without all of you, we wouldn't have become the most successful water ski show team in the world. We strive to bring that level of excellence to each show.

We hope you enjoy the show, come again and share your experience on social media. We'd love to hear about it!

Perfect days start at the end of a tow rope. With thrilling turns etched in perfect glass. So grab the handle and give a thumbs up. Your favorite memories await.

MERCURY ENGINES ARE MADE FOR EXPLORING.
SO ARE YOU. GO BOLDLY.
